

The Linn County Board of Supervisors recommend that Linn County Ordinance #9-7-2008, Chapter 10, Air Quality be amended as set out herein.

Section 10.2 “Definitions” is amended as follows where the following language is added:

“Biomass” means¹:

1. Any organic material grown for the purpose of being converted to energy;
2. Any organic byproduct of agriculture that can be converted into energy; or
3. Any material that can be converted into energy and is nonmerchutable for other purposes, that is segregated from other nonmerchutable material, and that is;
 - a. A forest-related organic resource, including mill residues, precommercial thinnings, slash, brush, or byproduct from conversion of trees to merchantable material; or
 - b. A wood material, including pallets, crates, dunnage, manufacturing and construction materials (other than pressure-treated, chemically-treated, or painted wood products), and landscape or right-of-way tree trimmings.

Section 10.5(9) b. “Exemptions from the Authorization to Install Permit and Permit to Operate Requirements” is modified as follows where language added is underlined and language ~~deleted~~ is shown stricken as follows:

- b. Fuel-burning equipment for indirect heating or cooling with a capacity less than one million BTU per hour input when burning coal, fuel oil grade #1 and #2, ~~untreated wood, untreated seeds or pellets, or other untreated vegetative materials.~~ This exemption does not apply to equipment burning waste oil.

Section 10.8(2) b “Emissions From Fuel-Burning Equipment” is modified as noted where language added is underlined and language ~~deleted~~ is shown stricken as follows:

10.8 Emissions From Fuel-Burning Equipment

2. Emission Limitation.

b.....

Except as provided in §10.8(3) of this Ordinance, fuel burning equipment with ~~For~~ heat inputs less than 10 million BTU, 0.6 lb/million BTU shall apply.

Section 10.8(3) "Exemption for Residential Heaters Burning Solid Fuels" is created as follows:

(3) Exemption for Residential Heaters Burning Solid Fuels

Residential heaters meeting the definition of "fuel burning equipment" pursuant to Section 10.8.a of this ordinance, with a manufacturer rated heat input of 500,000 Btu/hr or less burning solid fuels, that was installed prior to September 2, 2009, and pursuant to Section 10.5 have applied for an Authorization to Install by December 31, 2009, are exempt from the emission standard for particulate matter specified in Section 10.8(2)(b). Residential heaters installed after September 2, 2009, must meet the emission standard for particulate matter specified in Section 10.8(2)(b).

- a. Residential heaters shall be limited to the following solid fuels.
 - 1) Untreated wood;
 - 2) Wood pellets made from untreated wood;
 - 3) Home heating oil in compliance with the applicable sulfur content limit, propane or natural gas may be used as starter fuels for dual-fired residential heaters as specifically permitted by manufacturer's instructions;
 - 4) Trees, tree trimmings, branches, and stumps, but does not include brush, weeds, leaves, grass, shrubbery, yard trimmings, or other landscape wastes as allowed pursuant to Section 10.10 of this ordinance.
 - 5) Biomass as defined in Section 10.2 of this ordinance.

Section 10.24 Penalty shall be modified as noted where language added is underlined and language ~~deleted~~ is shown stricken as follows:

Section 10.24 "Penalty"

A violation of any of the requirements of this ordinance ~~are~~ is subject to the following penalties:

1. A violation of any provision of this ordinance or any code, rules, or regulations adopted herein by reference shall constitute a county infraction.
2. Open Burning and Residential Heater Penalties.
 - a. Any person convicted of committing a county infraction upon or Section 10.10 (Open Burning) of this ordinance shall be fined as follows:

First offense: \$100

Second offense: \$200

Third and subsequent offense: according to the provisions of §10.24(3)

- b. Notwithstanding § 10.24(2)(a) of this ordinance, any person convicted of committing a county infraction based upon Section 10.10 (Open Burning) of this ordinance shall be fined according to the provisions of §10.24(3) if the material contained in the open burning involves any of the following:

- 1) tires or other rubber materials
 - 2) asphalt shingles or other asphalt materials
 - 3) any material potentially containing asbestos, unless it was tested by an approved laboratory prior to the burning and proven to be negative
 - 4) creosote treated wood
 - 5) trade waste materials
- c. Notwithstanding § 10.24(2)(a) of this ordinance, any person convicted of committing a county infraction based upon Section 10.10 (Open Burning) of this ordinance shall be fined according to the provisions of §10.24(3) if the burning involves commercially generated waste including, but not limited to, burning to avoid fees for proper disposal, burning in conjunction with scrapping or salvaging operations, or burning material hauled from other locations.
3. Pursuant to authority granted by §455B.146 of the Code of Iowa, any person charged with committing a county infraction based upon any section of this ordinance (except Section 10.8(3) or 10.10 as specifically exempted above) shall, upon conviction be subject to a civil penalty of not more than Ten Thousand Dollars (\$10,000) per day for each day of the violation. Each day that a violation occurs or is permitted to exist by the violator shall constitute a separate offense.

Paragraphs 4 through 11 of §10.24 remained unchanged.
